## Pupil Premium Strategy – Disadvantaged First

## ACADEMIC ACHIEVEMENT: ACADEMIC

AIM: To reduce under-achievement of Pupil Premium students through tracking of academic progress, targeted interventions, and increasing academic engagement beyond normal school hours.

Strategy	Description	Resources	Cost
Data Analysis	4Matrix has been purchased for 3 years at a cost of £950 per year to assist with this work. This allows a more detailed analysis of PP student performance.	Part funded (50%) by the PP grant	£475
Tracking Underachievement (whole school)	<p>The progress of PP students against their target ranges (for KS3 students) or KS4 target is tracked at each AOL point. PP students who are underachieving in 3 academic subjects or more will have an initial meeting with the PP Co-ordinator, who will liaise with their subject teachers, so that short term targets can be set prior to being placed on an academic report tracker. Progress is then closely monitored over a 6 week period by the PP Co-ordinator.</p> <p>Due to the fact the PP students are often behind before they reach secondary school this may give an unfair representation of the gap between PP and non PP students at assessment points. At KS3 the difference in their targets in Maths and English is calculated and two different measures are used. The number of students required to maintain the gap and the number of students required to close the gap. A list of names of students who are not behind target, but who could potentially improve their progress in order to close both these gaps is then passed to the Head of Maths and the Head of English so they can put department intervention in place where this would be most effective</p>	TLR of KS3 Data Tracker part funded by the PP grant (50%)	£1250
More Able Curriculum Lead	A core part of the job of the More Able Curriculum Lead is to monitor and accelerate the progress of high ability, Pupil Premium students. Prior Attainment indicator and CATS score are included on the PP tracker on SIMS. Regular meetings are held between the More able coordinator and the PP Lead.	TLR for More Able Curriculum Lead – 50% funded by the PP grant.	£1250

## ACADEMIC ACHIEVEMENT: CURRICULUM

AIM: To ensure that the curriculum promotes progress, and attainment for PP students.

Strategy	Description	Resources	Cost
Disadvantaged First	Teachers to assess work of Pupil Premium students first and ensure that their work is assessed to a high standard. As part of the "reduction in teacher workload" policy some departments use a sample marking strategy, the work of PP students forms part of this sample.		£0
Top 10 Teaching Tips	All staff to use Disadvantaged Top 10 Teaching tips – see appendix		£0
Tracking Underachievement (subject level)	Twice per short term an ATL/Achievement check is carried out for PP students. At KS3 this consists of students being awarded a grade 1-4 in each of their Core/Ebacc subjects and at KS4 students being awarded a grade 1-4 in all GCSE/BTEC subjects. Specific subject Progress Action Plans and/or trackers implemented. (Trial this with year 7 and year 11 this year with a view to rolling out in Sept 2021)		£400
Seating Plans	Seating plans need to show that pupil premium students are placed next to other students who will have a positive impact on their learning. Where students are found to not be engaging with work to the desired level interventions are to be put into place.		

## ACADEMIC ACHIEVEMENT: LITERACY & NUMERACY

AIM: To reduce any gaps in the levels of literacy and numeracy that may have an adverse effect on the overall progress made by Pupil Premium students.

Strategy	Description	Resources	Cost
Love of Reading	Pupil Premium students are often less engaged in reading for pleasure which leads to lower literacy standards. The 'Love of Reading' programme is used in Year 7 & 8 form time programme in years 7 & 8 to promote enjoyment of reading and to widen student experience of different types of reading linking to key themes. This is monitored through Heads of House.	Reprographics cost – booklets for recording progress	£400 repro.  10% of Heads of House TLR's =
Phonics intervention	For Pupil Premium students with lower literacy levels small group intervention run through pm reg time	Member of staff delivering intervention	£18000

# Direct and Indirect Strategies

The strategies used across the school can be categorised as:

**Direct:** Strategies that are directly aimed at Pupil Premium students only and have no direct impact on any other students – for example, financial contributions towards the cost of trips or uniform.

**Indirect:** Strategies that are designed to improve outcomes for Pupil Premium students but are implemented more widely. For example, the Love of Reading programme.

The school considers these indirect strategies as vital for the following reasons:

- There are a number of students who would qualify for the Pupil Premium grant but parents have not claimed. This can be for any number of reasons ultimately it is parental choice. However it is important that those students are still supported.
- There will be students who do not qualify but only marginally. It would be wrong to exclude them from the support given because they fall just outside of the criteria.
- There will be students who do not qualify for the Pupil Premium grant but parental engagement and aspiration is still low. These will share many of the characteristics often associated with Pupil Premium students.

## Top 10 Tips for Disadvantaged Students

<b>Teachers</b>	1. Identify the Disadvantaged students you teach – ask at least one of them a question every lesson.
	2. Mark Disadvantaged students’ work first and set a specific question/target for them to respond to but also add a positive comment. Check that they understand your comments.
	3. Provide subject revision guides at the start of the year so that it gets maximum use. Ask students to bring it back in to lessons to prove that it’s being used ( <i>highlighting, notes, Qs etc.</i> )
	4. Assess Seating Plans – are Disadvantaged students sat next to peers who will have a positive impact on them?
	5. Use the Termly ‘Catch-Up’ sessions and collapsed days to guarantee that your Disadvantaged students are up to date with their work.
	6. Having marked and given feedback on Pre-Public exams, ask Disadvantaged students to rewrite (purple pen) not all but appropriate sections of the exam and remark to demonstrate progress.
	7. In Year 11 check that students have completed a minimum of 5 hours Sam Learning website activities for your subject.
<b>HoDs</b>	8. Extra sessions: Ensure attendance at lunch, Period 6, Easter and May revision sessions by sending Disadvantaged students a personalised email/letter home inviting them to your session. Include them in tutor time revision sessions during terms 4-6. Follow up on any absences.
	9. Make Disadvantaged students an ongoing agenda item for Department Meetings and discuss intervention strategies for this cohort.
	10. Analyse Disadvantaged students’ data, as a group, at each AOL point and the GCSE exam results of disadvantaged students with good attendance. Did they as a group achieve 75% Hit Rate?
