UPDATE

Dear parents/carers and students,

I cannot believe we are at the end of term already. My first term here has been amazing! The staff and students have made me feel so welcome. Spalding Academy is a truly special school that has a true community feel. I look forward to our next term together. Our school ethos of 'Aspire, Challenge and Achieve' can be seen throughout our school, from sporting achievements to our musical performance!

As you know, our Year 11 students have been working incredibly hard over the last term, as they embark on their GCSE examination journey. I am pleased to announce our students have viewed over 22,000 GCSEPod support videos. This has put Spalding Academy first in our regional area of 133 schools!

During the last fortnight, we have had some superb achievements and events take place. Many of our talented athletes have qualified for the South Lincolnshire County Athletic Squad. The following students have worked hard and showed their resilience and determination to succeed. Well done team!
