Construction

At Allison, we're all about building great communities and great relationships. Our focus is always all about the customer, about teamwork, about pride and trust, about sustainability and biodiversity and creating great places to live. At Allison we're all about you!

Forces

The Army is distinct from the RAF and Royal Navy in that our tasks are always delivered directly by soldiers through human interaction. They are our greatest asset. We are an inspirational employer who embraces diversity, inclusivity and contributes to society in everything we do. We have to make life-critical decisions and take purposeful action in sometimes hostile, confusing and unclear situations that occasionally test us to the limit of human endurance.

Educator

Apprenticeship Support and Knowledge for Schools and Colleges programme (ASK) is funded by the National Apprenticeship Service, part of the Department for Education. The programme is designed to give schools, colleges and other educational establishments across England free support to develop and transform how your students think about apprenticeships.

Food Manufacturing

We are the leading provider of fresh prepared food (FPF) in the UK, with a strong international presence in the US and China. Over 19,000 colleagues operate from 45 locations to develop and produce innovative FPF for a wide variety of occasions and budgets.

Medical/ Nursing

Our team are here to work with you in respect of your primary medical care needs; providing specialist management of long-term conditions and clinics covering a wide range of healthcare issues, from minor ailments to Sexual Health.

Educator

Boston College is a predominantly further education college in Boston in Lincolnshire, England. It is a Centre of Vocational Excellence for Early Years Care.

Educator

We truly believe that the Sixth Form education we offer at Bourne Academy is exceptional... and so is every one of our students. Bourne Academy has a well-established, highly successful Sixth Form. Students have access to a purpose-built block, with their own common room and two quiet study areas. The bedrock of our success is the support, advice and guidance that we provide for our A wide range of A Level and Level 3 BTEC courses are offered, giving students the opportunity to “mix and match” creating a programme of study best suited to their needs and abilities.

Leisure

From Sales and Marketing to Finance and Resourcing, and everything in between. We're one great passionate team. Supporting our teams around the country from our Support Centre.

Construction

From our beginnings in 1978 as a trusted local builder, we have grown into an experienced multi-disciplinary contractor and developer operating across the UK. We specialise in the design and construction of affordable housing, industrial projects, commercial projects and private developments.

Manufacturing

Coveris is a leading European packaging company that manufactures flexible and sustainable solutions for some of the world's most respected brands. We develop packaging that protects all types of products – from food to pet food, from medical devices to industrial and agricultural goods.

Logistics

With sites including chilled and ambient storage as well as contract packing facilities, we are well-placed to meet your logistics needs. With over 20 million square feet of warehousing across 100+ depots, we employ in excess of 22,000 people to ensure that our 2.2 million deliveries reach the correct location. With more than 5,500 vehicles you can be sure we'll always have space for another shipment.

Educator/ Sport

In partnership with Virtual Learning UK (www.vluk.org) & Holbeach United CSA, our Full-Time programme provides players between 16-19 years a platform to further their education and football development, so they can achieve their potential both on and off the field.

Health & social Care/ Charity

Deafblind UK helps people who are deafblind to live with their condition and to build their confidence and independence. We offer comfort, understanding and advice as well as practical support, residential support, care and social opportunities.

Accounts/ Business

Duncan & Toplis is one of the largest independent accounting and business advisers in the East Midlands, providing a full range of services across our region and beyond. Our team includes more than 400 talented individuals who work together to support more than 12,000 businesses and individuals.

Department
for Work &
Pensions

Government

The Department for Work and Pensions (DWP) is responsible for welfare, pensions and child maintenance policy. As the UK's biggest public service department it administers the State Pension and a range of working age, disability and ill health benefits to around 20 million claimants and customers.

Educator

Eastern School of Performing Arts is a provision offering Level 3, 4 & 5 programmes to Post 16 students across the region. ESPA differ from other colleges, striving to not only ensure students gain a qualification, but also develop as well-rounded individuals and performers. Our students go on to train and study in varying disciplines, be this at theatre school, university or into employment.

Construction

Together with our associated companies, Eurovia teams are responsible for improving over 50,000kms of the UK’s highways network – we deliver specialist highway services across the largest, dedicated, highways portfolio within the UK, including strategic road network, DBFO motorway and trunk roads, and the local authority network.

Construction

FCC Ltd are a diverse contracting business, founded in 2014, based in Spalding South Lincolnshire. We carry out Construction Projects and Maintenance nationwide. We pride ourselves on our competitive prices, great service, and loyalty to our Clients.

Educator

At Grantham College we aim to ensure that all our students achieve their true potential. We have over 70 years’ experience of providing education and training. In this time, we have developed a welcoming and supportive environment where the needs of students are always put first.

Food Manufacturing

Greencore Group plc is a leading manufacturer of convenience foods. We are proud to supply a wide range of chilled, frozen and ambient foods to some of the most successful retail and food service customers in the UK. We do this by combining a passion for great food, an effective business system, efficient cost control and exceptional people in an approach we call The Greencore Way.

Agriculture/ Engineering

With over 150 machine types, we offer the most comprehensive and widest product range in the potato, beet and vegetable sectors. In the vegetable sector, both GRIMME and its subsidiary, ASA-LIFT, build a variety of innovative machines for harvesting onions, red beet, carrots, leeks, chives, celery, fennel, peas, lettuce etc.

inspire+

Educator/ Sport

inspire+ is a Grantham based sport and education charity. Our vision is to ensure young people are 'Healthy, Happy and Active'. We achieve this by realising our aims of increasing young people's physical activity and wellbeing through both the education and community setting. As well as providing a comprehensive and valued programme of support for schools, the charity is also a leading PE and School Sport apprenticeship training provider.

Construction

Over the last 18 years, Kirk Homes and Civils has developed and moved more into the commercial market. KCC have been successfully working for clients and partnering with others to deliver all types of civils and infrastructure services. Kirk Homes naturally has evolved into Kirk Connected Construction to offer a comprehensive range of services in a wide range of Sectors from Food Manufacturing Warehouses to Commercial Office development, Haulage and Logistics.

Educator

Loughborough University is a top 7 (All UK league Tables) University that is world renowned for its academic excellence and also its sporting prowess (Ranked Top Sporting University in the World by QS International Rankings 2017&2018). Loughborough is also ranked 1st for Student Experience in the UK (THE Student Experience Survey) and is situated on a beautiful 438-acre campus in the heart of Leicestershire.

Motor Vehicle Repair

Lovells have everything you need to repair or restore damaged vehicles ranging from push bikes to light commercial vehicles. Offering a wide spectrum of motoring services including accident repair, MOT, servicing, tyres, wheel alignment, air-con servicing, valeting and sign writing. Our team are experts in their field qualified to industry standard and above. We aim to deliver the best possible service in automotive repair to you, by investing in the latest equipment and techniques.

Law

Maples Solicitors LLP (originally Maples & Son) was founded in the late 1820's by Ashley Maples. To this day many of our farming clients have been represented by the firm for four or five generations and to this traditional client base we have added a number of commercial and developer clients. In 2007, we became Maples Solicitors LLP, and we continue today to serve our clients with the same care and attention as we have for almost 200 years.

Food Manufacturing and Retail

McDonald's (or McDonald's Corporation) is today's largest chain of fast food restaurants in the world. They serve hamburgers, cheeseburgers, chicken, french fries, soft drinks, milkshakes, and other desserts. Now, they have around 1,400 restaurants, 130,000 crew, over 23,000 farmers and 4 million daily customers.

Production and Supply Chain

Established in 2007 to provide the leading UK retailers with a transparent, sustainable and innovative interface between the grower & the retailer. From supplying just one product, MM Flowers has grown into a large enterprise, sourcing globally and serving the best of the UK and European retail. Our philosophy has not changed during this period of rapid growth with quality and innovation, from breeding programmes to supply chain development, at the heart of everything we do.

Retail/ Food Manufacturing

A reputable nationwide company which is the fourth largest chain in the UK. They offer a wealth of opportunities from schools' outreach, apprenticeship schemes covering all areas of the industry from bakery to logistics.

NHS/ Work Experience

Lincolnshire Talent Academy delivers proactive services to aid recruitment and skills development of our current and future workforce, whilst also ensuring the portability and integration of skills across the health and care system. We offer virtual and face to face work experience opportunities for students considering a career in the healthcare.

Educator

We offer a diverse and broad range of courses ranging from Entry Level to Level 6 programmes. These include BTEC and skill-based courses, Access to Higher Education courses, HNCs, HNDs and Degrees through our University Centre Peterborough

Food Manufacturing

Pilgrim's UK is Britain's biggest higher welfare pig farmer and producer of sustainably produced quality pork products. With 5,500 team members operating across 14 sites in the UK, including three abattoir/deboning sites and eight active processing sites. A division of Pilgrim's Pride Corporation, our business is part of the second largest food company in the world, whose team farm, process, prepare, package and deliver fresh, frozen and value-added food products for sale in more than 100 countries.

Emergency Services

We are a diverse and unique county, and our policing approach must reflect and represent our communities. Our three policing purposes are simple. We need to stop crime and anti-social behaviour, protect people from harm, and help those in need. To achieve these outcomes we will focus on five core themes of people, partners, culture, capability, and communities.

Educator

Riverside Training is a national Apprenticeship Levy & training provider delivering Apprenticeship standards and commercial training throughout the UK. Riverside Training was founded in 1996 to provide specialist training to business professionals.

The Forces

It all starts with our people. The RAF is a team of regular and reserve personnel, civilians, and our partners. Most RAF personnel belong to a Squadron or Unit, and all have a rank such as Squadron Leader. The RAF is a collaboration of many dedicated professions, including pilots, aviation engineers, RAF Police, air traffic controllers, and nurses.

Engineering

SL Engineering Ltd provides a full in-house solution for the manufacture of specialised rigid tube assemblies and precision machined components used in some of the most demanding applications in the aerospace, industrial, marine, medical, offshore renewables, oil and gas, and autosport industries. They also offer apprenticeship opportunities for school leavers.

Local Council

The South & East Lincolnshire Councils Partnership - between Boston Borough Council, East Lindsey District Council and South Holland District Council - is the largest Council partnership in the country and provides the opportunity for us to be bold and ambitious for our communities by working jointly to shape policy at a regional level, secure more resources to deliver on local priorities and ultimately do more for our communities, whilst being more efficient in the way we operate.

Educator

We believe that St George's is a very special place to learn. We have a very dedicated group of teaching and support staff, who are well supported by our parent body, and we are immensely proud of the young adults who leave us as well-rounded individuals empowered to make positive contributions to society. At Sleaford and Ruskington, we are fortunate to have first class educational facilities designed to help all students achieve their potential.

Educator

At Stageworks, we are proud to offer full-time, professional training for students aged 16-21 who are passionate about performing. We offer four full time courses – Musical Theatre, Acting, Professional Performance and Singing. All students train five days a week and are taught by leading industry experts. Students receive a personalised training programme and train in small classes. Our purpose-built studios are easily accessible and we can also provide accommodation for students who are moving away from home.

Educator

As a further education college, we specialise in post-16 learning programmes and we have offered excellent higher education courses (HNDs and HNCs, Foundation Degrees and Access to HE) for more than 20 years.

Agriculture/ Food

Staples are a family owned business who have been trading for over 60 years. George and Vernon Read are passionate about growing quality, fresh produce. As an industry leading grower producing vegetables for the nation's supermarket chains and sites across the UK, they deliver quality vegetables all year round.

Educator

We are a training provider that delivers first class skills, employability and training solutions to create better futures for individuals, families, businesses and communities. We deliver quality vocational training including Apprenticeships and Diplomas.

Health and Social Care/ Nursing

The Orders of St John Care Trust is one of the UK's leading not-for-profit care providers. We are a charity. Our sole purpose is to provide the best possible care to those who live with us – some of the most vulnerable people in society. The Trust is a place of community where all our residents, team members and volunteers, and families, friends and partners are welcomed. We are an inclusive charity and we take time to make everyone feel safe and special.

Marketing and Distribution

Working with the very best suppliers globally to source the highest quality fruit. Our Customers who we want to deliver the best product and service to deliver growth. Being employees' first choice through our culture of coaching and respect for one another. We want to be sustainable and lean, creating value for our customers throughout our supply chain.
