

EXAM RESULTS DAY INFORMATION

Dear Parent / Carers and Students

The summer 2022 GCSE & BTEC Exam Results will be released to Year 11 students:

Thursday 25th August from 8.00am – 10.30am

Collection of Results: On the day when picking up results from school, which is the school's preferred option, there will be a clear one-way system in place for students with the entrance via **Main Reception** at the East End of school and, as in previous years, parents may wait outside. Staff will be on hand to assist with registration for Bourne Academy's Sixth Form and answer any immediate queries.

Advice Needed: Individual appointments will be available for those students who require a more detailed discussion regarding their results and Post 16 options. These meetings can be face to face, in school, for individual students or by phone/TEAMS for those who would like their parents to join the meeting. In order to manage student numbers on the school site, appointments with key staff may need to be arranged for later in the day.

Students should bring a pen with them to complete any required forms. So that we can make a record of all student destinations please bring full details of the course you intend to follow in September.

We know that some students will not be able to pick up their results in person and the school will obviously support this. If you are not attending school to pick up your results, we can arrange for them to be sent to students via either their **SCHOOL EMAIL ADDRESS** or **by POST**. This will be on Thursday 25th August. Please note that postal results will be sent first class and will be paid for by the school. Requests for this service **MUST** come **ONLY** from students, and not from parents, by emailing the school **PRIOR TO MONDAY 22nd AUGUST** specifying **EMAIL** or **POST** at:

Exams2022@spaldingacademy.org.uk

Finally, we wish our students all the best for their upcoming results and if you have any further questions regarding either Results Day or Post 16 Options please contact the school via the above email address.

Kind regards
