Dear Parent / Carers and Students,

The summer 2020 GCSE Exam Results will be released to Year 11 students for GCSE & BTEC on:

**Thursday 20th August**

We feel that it is still important to offer our students the opportunity to come in to collect their results, but the continuing COVID 19 restrictions that are in place for schools will mean that the organisation of this important event will be somewhat different from previous years, i.e. with the appropriate social distancing in place. This means that it will ONLY be students themselves allowed into the building to collect their GCSE results at the following times:

**8 - 8.45am = Surnames A - F inclusive**

**9 - 9.45am = Surnames G – M inclusive**

**10 - 10.45am = Surnames N – Z Inclusive**

**Collection of Results:** On the day when picking up results from school, which is the school's preferred option. There will be a clear one-way system in place (as shown on the diagram attached) with the entrance via Student Reception and staff on hand in the West Hall to assist with registration for Bourne Academy's 6<sup>th</sup> Form and answer any immediate queries. Please do not feel that you have to arrive at the start of your allocated slot to avoid queues building up. Hand sanitisers are available and students must adhere to social distancing at all times and may wear face coverings.

**Advice Needed:** For those students who may require a discussion regarding their results and Post 16 or other options, individual appointments with key staff will be arranged for 20th & 21st August in order to manage student numbers on the school site. These meetings can be face to face in school for individual students or by phone/Zoom call for those who want parents to join the meeting.

**Students must also bring a pen with them to sign up and / or complete any forms needed.** They should remind themselves of the full details of the courses they intend to follow in September, whether this is at Bourne Academy's 6<sup>th</sup> Form or elsewhere, as we want to track all student destinations.

We do know that some students will not feel able to pick up their results in person this year and the school will obviously support this choice. If not attending school to pick up results, we can arrange for them to be sent to students via either their **SCHOOL EMAIL ADDRESS or by POST**. This will be on Thursday 20th August. Please note that postal results will be sent first class and this year will be paid for by the school.

Requests for this service MUST come ONLY from students, and not from parents, by emailing the school **PRIOR TO MONDAY 17th AUGUST** specifying **EMAIL or POST** via the:

[Destinations@spaldingacademy.org.uk](mailto:Destinations@spaldingacademy.org.uk)

Finally, we wish our students all the best in advance for their upcoming results and if you have any further questions regarding either Results Day or Post 16 Options please contact the school via the same Destination email shown above.

Kind regards
